A Guide for Uploading your Hanson Community Arts Video

Hopefully by now you have made your video. If not, please read our guide here for how to make your video.

Renaming Your Video:

Firstly you will need to rename your video file so that we know who it is that is playing and what you're playing!

- **Please title your video using the following naming convention:**
  - instrumentpart-yourname
  - for example, if Simon Wood has just recorded his Tuba part for the video, he would name it tuba-simonwood
  - or if Lucy Hanson was uploading her Violin I part, she would name it violin1-lucyhanson

- Instrument part names are as follows, please choose the appropriate one:

Strings:
- contrabass, jazzguitar, cello1, cello2, violin1, violin2, violin3, viola1, viola2

Brass:
- cornet1, cornet2, horninf, jazztrumpet1, jazztrumpet2, jazztrumpet3, tuba, trombone1, trombone2, trombone3, tenorhorn

Wind & Percussion:
- altosax1, altosax2, baritonesax, bassoon, clarinet, flute, tenorsax, percussion

Voice & Piano:
- altovoice, bassvoice, tenorvoice, sopranovoice, piano

Uploading Your Video:

Once you have renamed your file, please upload it to:
